Personalised Christmas Baubles

in memory of a loved one

The Baubles
These delicate glass baubles (70mm diameter) are filled with snowy white feathers, to be hung from the Christmas tree with a white satin ribbon bearing the phrase “Feathers appear when Angels are near”. They are presented in a beautiful white keepsake box, tied with a white grosgrain ribbon. The baubles can be personalised with the name of a loved one in silver letters, or they can be purchased blank. Inside the box, there is a little fold out card which can be personalised by you with your own special message.
