

When
someone
you love
dies...

PUT
THEIR
PHOTO
HERE

It's OK to cry
and feel sad.

It's not
your
fault.

If you are feeling sad,
tell someone you
trust how
you feel.

It's OK to
feel angry.
But hurting
yourself or
other people
isn't OK.

You may get tummy aches
or headaches - lots of
people do when they're
upset.

There are lots of people
who can help
if you are
worried.

You can write their names
HERE

Or write a special
message to yourself or
to the person who
has died.
